PEER REVIEWERS: PLEASE UPDATE YOUR CONTACT INFORMATION

To our peer reviewers, thank you very much for providing peer commentary on the many manuscripts that we have considered over the years. We have enjoyed a tremendous increase in both new and revised submissions, and our editors depend on meaningful peer criticism of these reports. Peer commentary is the backbone of our publishing process, and it enables our editors and authors to refine manuscripts prior to publication. In order for us to be able to invite you to comment on a manuscript, please go to the Elsevier JFAS Webpage (<https://ees.elsevier.com/jfas/default.asp?acw=&utt=>), sign in as a peer reviewer, and update your contact information. Once again, thank you for critically appraising the manuscripts that we consider for publication in JFAS.
